Hello,

I am a resident of Montpelier.

I request that no further action be taken on cases involving the Vermont Gas pipeline, including Notice of Probable Violation (18-0395-PET) and CPG for Monkton gate station (17-4909-PET), until a broad scope investigation of safety and construction violations has been completed, as requested by intervenors on March 1 filing to case (17-3550 INV).

Thank you,

Hannah Huber
