To the PUC Clerk,

Please file these as comments in the NOPV case (18-0395-PET,) the Monkton Gate Station case (17-4909-PET,) and the Investigation case (17-3550-INV.)

I am requesting that no further action be taken on cases involving Vermont Gas pipeline, including Notice of Probable Violation (18-0395-PET) and CPG for Monkton gate station(17-4909-PET), until a broad scope investigation of safety and construction violations has been completed, as requested by intervenors on March 1 filing to case (17-3550 INV).

They should be held accountable to fully implement complete safety and construction requirements and to correct all violations.
