Subject: please note my opposition to Vermont Gas Pipeline

Dear Public Utilities, please note my opposition to the Vermont Gas Pipeline due to numerous safety concerns, below a concerted effort to avoid further risk and harm.

I am requesting that no further action be taken on cases involving Vermont Gas pipeline, including Notice of Probable Violation (18-0395-PET) and CPG for Monkton gate station(17-4909-PET), until a broad scope investigation of safety and construction violations has been completed, as requested by intervenors on March 1 filing to case (17-3550 INV).

Thank you for your consideration,
