to the Vermont Public Utilities Commission, by way of PUC Clerk Judith Whitney:

Unlike the ecology destroying trump regime, sane people demand the PUC take no further action on the Notice of Probable Violation case (18-0395-PET) and the Monkton gate station CPG case (17-4909-PET) until a pipe-wide investigation of safety and construction violations has been completed as requested on March 1st by the intervenors in case (17-3550-INV).

sincerely, Kevin McEvoy Levert
