Judith Whitney
PUC Clerk

Dear Ms. Whitney,

March 13, 2018

As a life-long resident of Vermont, I am gravely concerned about the numerous and very serious public safety violations that have occurred during the construction of the VGS pipeline.

This letter is to request that the PUC take no further action on the Notice of Probable Violation case (18-0395-PET) and the Monkton gate station CPG case (17-4909-PET), until an investigation of the entire pipeline's safety and construction violations has been completed as requested on March 1st by the intervenors in case (17-3550-INV).

Thank you for your consideration of widespread concern about this pipeline.

Sincerely,

Tom Bryer
