**CONSENTED-TO MOTION BY INTERVENORS FOR EXTENSION OF TIME FROM
MAY 15 TO MAY 24 FOR REPLY TO FILINGS DUE ON MAY 1, 2023**

Intervenors move pursuant to Commission Rule 2.207 for an extension of time in which to respond to the responses to their post-judgment motion by the other parties that are due on May 1, 2023 (today). Intervenors ask that the date on which to reply (which is 14 days pursuant to Commission Rule 2.206(E)) be extended from May 15, 2023 to May 24, 2023, which is the date already set for all parties to respond to the Compliance Filing filed on April 27, 2023.

The reason for the extension is that counsel for Intervenors leaves on vacation early on May 2, and is due back home in the early morning hours of May 18, 2023.

The Department of Public Service and Vermont Gas Systems, Inc. have consented to the motion.
