Case No. 24-3277-PET

Petition of Vermont Gas Systems, Inc. to amend certificate of public good No. 7970

MOTION TO EXTEND DEADLINE TO REFILE CPG AMENDMENT PETITION

On behalf of Vermont Gas Systems, Inc. (“VGS”), undersigned counsel requests a two-week extension of VGS’s deadline to refile a CPG Amendment Petition as required by the Vermont Public Utility Commission’s (“Commission”) November 27, 2024 Order Dismissing Petition without prejudice in the above-captioned case.

VGS filed a Petition to Amend the Docket 7970 CPG (“Amendment Petition”) on October 28, 2024, which relied entirely on the evidentiary record in Case Nos. 17-3550-INV and 18-0395-PET. The Commission’s Order Dismissing Petition explained that while the Amendment Petition “should be limited to information relevant to the substantial changes that require Commission approval,” the Petition should “address each of the applicable requirements in Rules 5.403 and 5.404,” including prefiled testimony, an index of evidence, and a site plan. The Order Dismissing Petition also directed VGS to refile the Amendment Petition no later than 30 days from the date of the Order, which is December 27, 2024.

VGS moves to extend the deadline for refiling the Amendment Petition from December 27, 2024, to January 10, 2025. The basis for this request is the following. Undersigned counsel will be traveling with his family out of the country from December 20, 2024, through January 3, 2025. This is an unusual event that has been scheduled for more than a year, and it cannot be rescheduled without significant cost and inconvenience. Additionally, this extension will allow VGS to comply with the deadline without interruption to other scheduled employee vacation

time during the holidays. Accordingly, VGS respectfully requests an additional two weeks, until January 10, 2025, to comply with the Order Dismissing Petition.

Dated at Burlington, Vermont this 3rd day of December 2024.
