JOINT PETITIONERS' MOTION FOR EXTENSION OF FIRST DISCOVERY DEADLINE

Joint Petitioners NorthStar Decommissioning Holdings, LLC, NorthStar Group Holdings, LLC, LVI Parent Corp., NorthStar Group Services, Inc., NorthStar Nuclear Decommissioning Company, LLC, Entergy Nuclear Vermont Investment Company, LLC, and Entergy Nuclear Operations, Inc., by their attorneys, respectfully submit this motion for an extension of the deadline for first-round discovery responses from the current deadline of April 5, 2017, to an extended deadline of April 26, 2017. Joint Petitioners respectfully request that the Board decide this motion at its earliest convenience, and at least by April 5, 2017.

The ground for this motion is that the first round of discovery requests are extremely voluminous, totaling nearly 1,000 requests (including sub-requests). A substantial number of these requests seek some information from the Entergy petitioners and other information from the NorthStar petitioners, which requires coordination between the Entergy petitioners (and their counsel) and the NorthStar petitioners (and their counsel). To allow themselves sufficient time to respond to this multitude of requests as completely and accurately as possible, Joint Petitioners respectfully request this extension.

On March 28, 2017, we consulted with Stephanie Hoffman, Esq., counsel for the Public Service Department. We understand from Ms. Hoffman that the Department will file a response to the instant motion.

Joint Petitioners anticipate proposing in the coming days an adjustment to the remainder of the schedule in this Docket. Joint Petitioners will solicit comments on that proposal from all parties to the proceeding.

DATED at New York, New York, this 29th day of March, 2017.

Respectfully submitted,
