**STIPULATED NEW ENGLAND COALITION MOTION TO AMEND
DISCOVERY SCHEDULE DUE TO STORM DAMAGE**

The New England Coalition moves for an order to amend the discovery schedule in this matter so that NEC’s discovery questions, currently due today, are due instead by close of business on Friday November 3, 2017, and Joint Petitioners’ responses to those questions are due by the close of business on November 28 instead of on November 17. All other dates remain unchanged.

Joint Petitioners have authorized counsel for NEC to represent that they have agreed to this request. The request is due to storm-caused power outages.

All other parties have been consulted by email and have either consented or not objected.

Dated at Bristol, Vermont this 30th day of October, 2017.
