**ENERGY PETITIONERS' REQUEST FOR RECONSIDERATION OF
THE PUBLIC UTILITY COMMISSION'S JANUARY 11, 2018 ORDER**

Entergy Petitioners Entergy Nuclear Vermont Investment Company, LLC, and Entergy Nuclear Operations, Inc. respectfully submit this response to the Public Utility Commission's January 11, 2018 Protective Order for Prefiled Evidence ("Order").

Entergy Petitioners respectfully seek modification of the Order in one limited respect concerning Entergy's credit assessments (discussed at page 8, paragraph (f) of the Order) of NorthStar and another confidential counterparty candidate whose name is protected by a non-disclosure agreement between Entergy and that potential counterparty. The Commission's order provides that this material would become public two years after closing if the proposed transaction closes. That closing is expected to occur by the end of 2018, meaning that this material would become publicly available at the end of 2020.

Entergy Petitioners respectfully request that the date of public availability of this material be extended six months, to the end of June 2021, so as to coincide with the date on which the confidentiality requirements in Entergy's non-disclosure agreement with the confidential counterparty expire. If the Commission is inclined to reject this request, the Commission should

consider allowing the confidential counterparty to be heard on the issue, before the Commission issues a final decision.

DATED at New York, New York, this 18th day of January, 2018.

Respectfully submitted,

QUINN EMANUEL URQUHART &
