Dear Kirk:

The Town of Panton Selectboard received notice from DRB member Mary Rudd that the Town of Panton Planning Commission supports Green Mountain Power's planned upgrades to the solar storage field. At their June 11, 2020 meeting Mary Rudd moved "to have the Selectboard send a letter of support to the PUC for the islanding."

At the June 23, 2020 Selectboard meeting, Zachary Weaver moved "to support Green Mountain Power letter of support for the Panton solar storage field and islanding equipment and protocols for the Town of Panton". Please accept this letter as the Town of Panton Selectboard's endorsement of the support given by the Panton Planning Commission for the planned upgrades.

If you have any questions, please do not hesitate to contact us.

Sincerely,
