

STATE OF VERMONT
PUBLIC SERVICE BOARD

Case No. 8816

Petition of Swanton Wind LLC for a certificate of public good, pursuant to 30 V.S.A. § 248, for the construction of an up to 20 MW wind-powered electric generation plant powered by up to 7 wind turbines located along Rocky Ridge in Swanton, Vermont

Order entered: 1/12/2017

PROCEDURAL ORDER RE: LANG OBJECTIONS TO ADMISSIBILITY

On December 19, 2016, intervenors Dustin and Christine Lang filed objections (the “Lang Objections”) to the admissibility of certain portions of the prefiled testimony and exhibits of the petitioner, Swanton Wind, LLC (the “Petitioner”).

On January 6, 2017, the Petitioner filed its opposition to the Lang Objections. With respect to several of the Lang Objections, the Petitioner’s opposition was based solely on an asserted lack of standing for the Langs to raise the objections.

Also on January 6, 2017, the Towns of Swanton and Fairfield filed a response to the Lang Objections, stating that the towns “join, in their entirety, the positions set forth” in the Lang Objections, and that the towns join in those objections and “request that the Board” exclude those portions of the Petitioner’s prefiled testimony as described in the Lang Objections.¹

In light of the January 6th filing by the Towns of Swanton and Fairfield, the Board is establishing the close of business on January 20, 2017, as the deadline for the Petitioner to file any supplemental response as a result of the towns joining in the Lang Objections.

¹ Swanton and Fairfield response to Lang Objections at 1, 2.

SO ORDERED.

Dated at Montpelier, Vermont, this 12th day of January, 2017.
