**State of Vermont  
Public Service Board**

**MEMORANDUM**

To: Parties in PSB Case Number 8816  
From: Judith C. Whitney, Clerk of the Board *jcw*  
Re: February 21, 2017, filing from Pierce and Kane  
Date: February 24, 2017

---

On February 21, 2017, Greg Pierce and Paula Kane, pending intervenors, submitted to the Vermont Public Service Board ("Board") via ePSB a motion to enlarge the time for them to serve their first round of discovery requests on Swanton Wind, LLC until February 23, 2017. The motion was accompanied by their first round of discovery on Swanton Wind.

On February 16, 2017, Mr. Pierce and Ms. Kane filed their motion to intervene in this proceeding in hard copy. However, because they filed their intervention motion in hard copy and had not yet affirmatively requested to participate in this case electronically via ePSB, the February 21<sup>st</sup> submittal was of necessity accomplished using the "Public Comments" function in ePSB. As a result, no electronic notification of the submittal was sent out by ePSB to those parties or pending intervenors that have elected to participate using ePSB. There is also no indication in the submittal that hard copies were served on all other parties to this proceeding.

Parties that wish to view the February 21<sup>st</sup> submittal from Mr. Pierce and Ms. Kane may do so using the Public Comments function in ePSB at this link: <http://psb-proecrtapp1:8080/sustain/cms/case?formId=1351&id=27070&caseId=27070>.

Parties are reminded that if they filed their motion to intervene in hard copy but wish to participate electronically using ePSB, then an affirmative election must be submitted to the Clerk's office along with the email address that will be used for service purposes.

Mr. Pierce and Ms. Kane, as well as other non-electronic participants, are reminded that unless and until they elect to participate via ePSB they are required to provide hard copies of all filings to all parties. All parties, including those who have elected to participate via ePSB, are reminded that they are required to provide hard copies of all filings to any party that has not chosen to participate electronically.
